OSRAM

ONYX COPILOT USB

Flexible LED reading light

Pleasantly warm and glare-free light

370 mm neck length powered via USB

Multifunctional use
This stylish reading light is suitable for all vehicles with USB connection

Precisely illuminating vehicle interiors

With its elegant and dynamic design, the ONYX COPILOT LED reading light achieves seamless integration into vehicle interiors. With its high flexibility, the reading light has a wide range of options for illuminating specific areas of the vehicle interior. The neck of the light is made of matt black silicon rubber and can be individually adjusted. The LED lifetime of ONYX COPILOT is extremely long: up to 20,000 hours! The Luminaire can be switched on/off and remain connected permanently. OSRAM provides a 2 year guarantee for this stylish light.
